

A permit application has been submitted to the City of Portland for a mural at this location. Before the permit can be approved, the applicant must hold a public meeting. The public meeting provides a setting for a mural permit applicant and neighborhood residents to review a proposed mural in an informal manner, to enable community input into the process of creating the mural, and to allow neighborhood residents to share any concerns concerning the proposed mural with the permit applicant. This is **not** a land use review, and feedback received at the meeting is not binding on the applicant.
